

TRIOBIKE

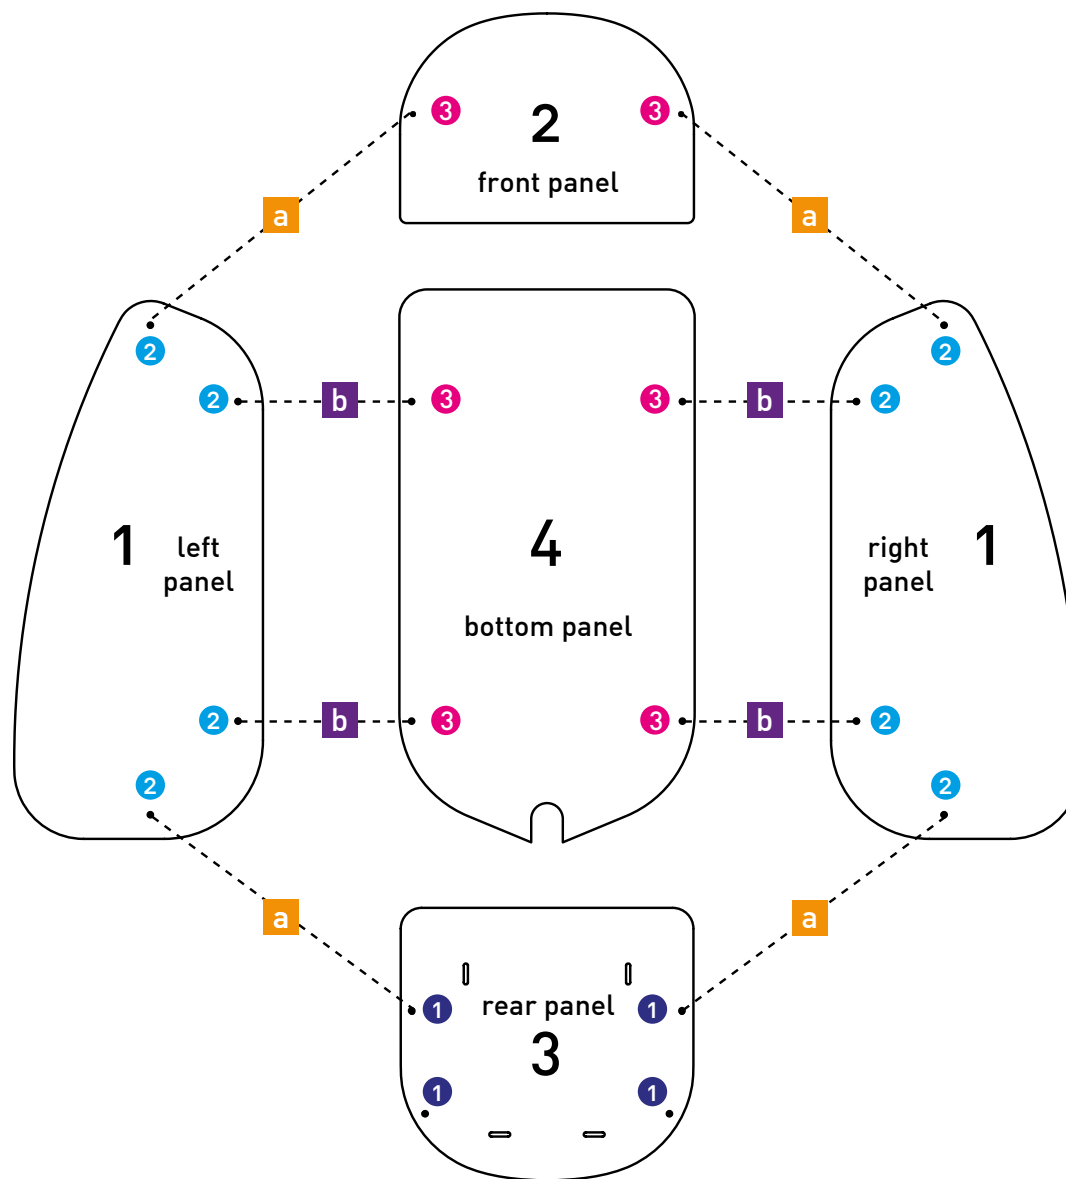

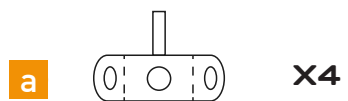

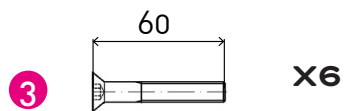

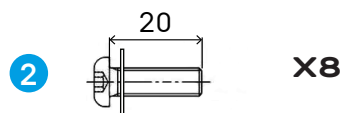

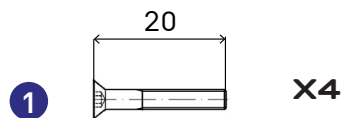

CARGO

1 KID KIT INSTALLATION MANUAL

ENGLISH V 1.0

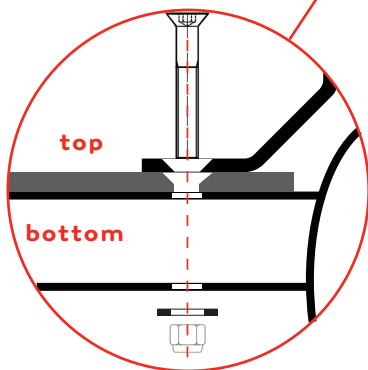

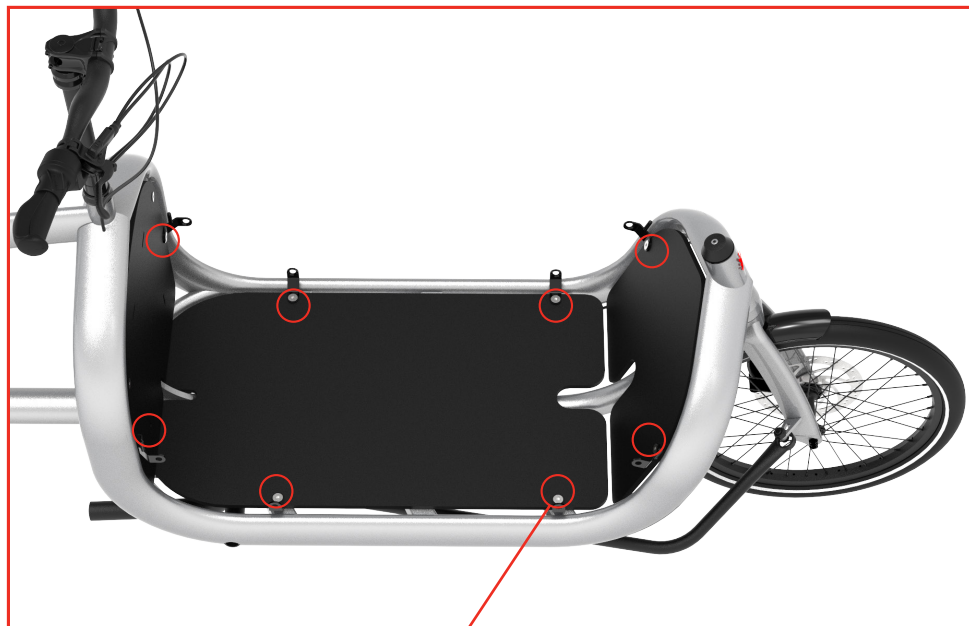

PARTS AND PLACEMENT

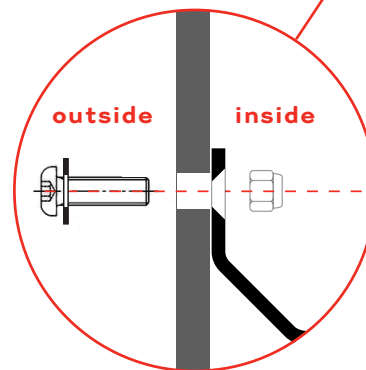

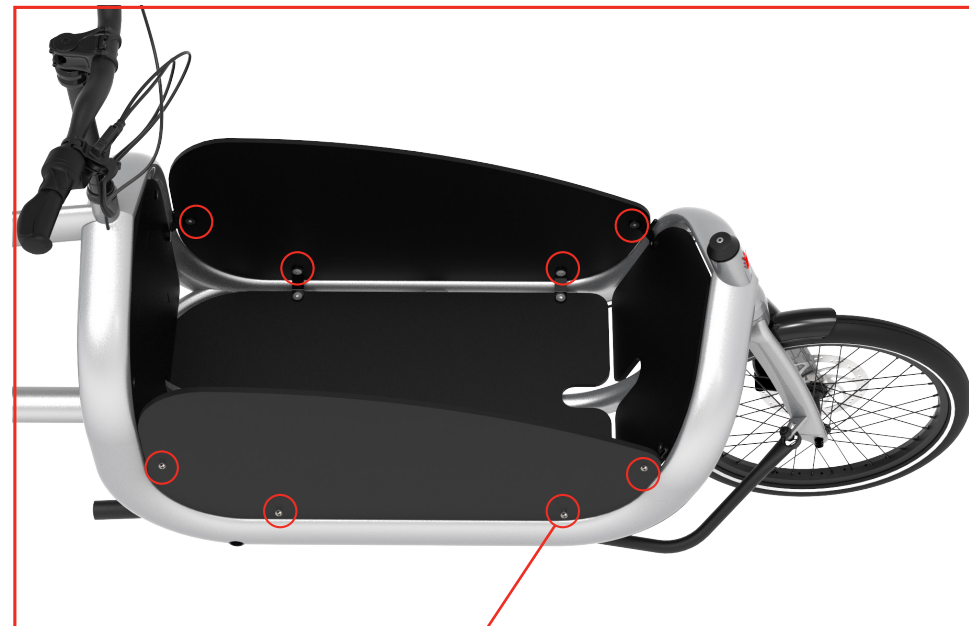

INSTALLING THE 1 KID KIT

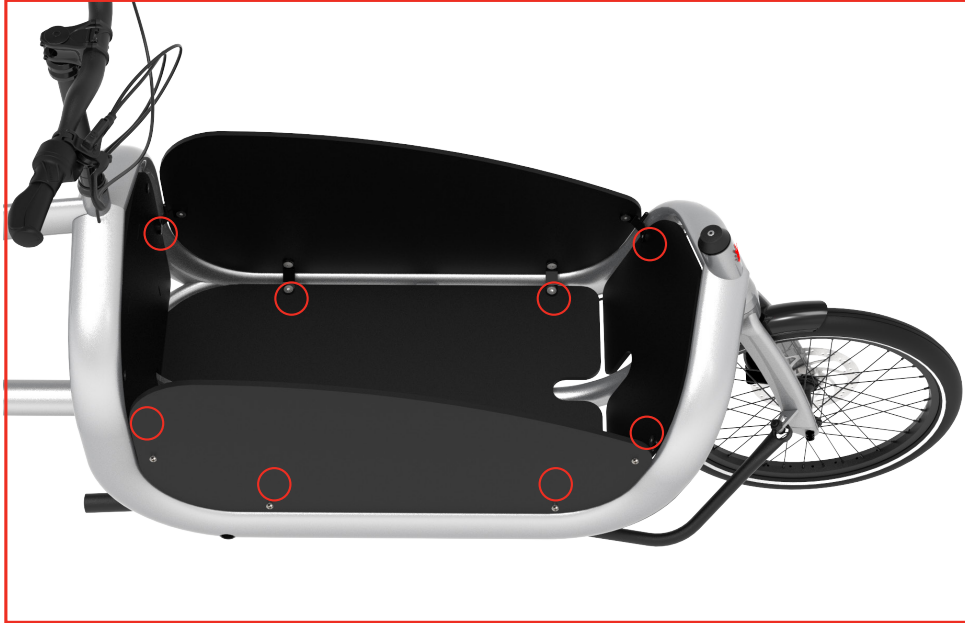

1- Fix the rear, front and bottom panels on the bike frame, placing the right bracket between the bolt head and the panel. Place the washer between the frame and the nut. Tighten slightly, in order to leave some degree of freedom.

2- Connect the side panels to the brackets: bolt heads (with integrated washers) on the outside, nuts on the inside. Tighten firmly.

INSTALLING THE 1 KID KIT

3- Tighten again the bolts on the rear, bottom and rear panels, in a firm way.
