INSTALLING THE 2 KIDS KIT

1- Place and fix the front panel and the **A** brackets using bolts **#1** + washers + nuts on the back side. The brackets have to stay on top of the panel.

2- Place the brackets **B** and **C** on the frame, then put the bottom panel over them. The frame, panel and brackets holes have to match. Fix everything using bolts **#3** + nuts and washers on the back side.

INSTALLING THE 2 KIDS KIT

3- Place the extension panels as shown in the picture. Fix them on the bottom of the external hole of brackets **C** with bolts **#4** + nuts and washers.

INSTALLING THE 2 KIDS KIT

4- Place the rear panel and brackets **D** as shown in the picture, and fix them on the extension panels using bolts **#5** + washers + nuts. The brackets have to stay in front of the panel.

INSTALLING THE 2 KIDS KIT

5- Mount the side panels connecting them to all the brackets using bolts **#2** + nuts.

INSTALLING THE 2 KIDS KIT

6- Mount the 2 kids seat backrest using 4x bolt **#6**: from the rear, insert the bolts in the threaded holes placed on the back of the backrest.

INSTALLING THE 2 KIDS KIT

7- Once placed correctly, the backrest should stay on its position.

INSTALLING THE 2 KIDS KIT

8- Place 2x Velcro stripes on the bottom panel and under the bench legs. The stripes have to be aligned with the bench legs.

INSTALLING THE 2 KIDS KIT

9- Fix the bench pushing it towards the bottom panel.
